Update on Noro quarantine centre

Noro Quarantine Centre Guard House

The Noro quarantine centre finally completed the security guard house. The guard house is located just in front of the main quarantine centre.

Noro quarantine centre is currently working on tiling the floor. This is the final work and its expected to complete over the coming weeks and the centre will be ready for use.

Nusatupe Jetty

The Nusatupe jetty is progressing very well at the moment. Currently the local workers are busy on drive piling. The jetty is expected to complete in the coming weeks.

Nusatupe Guard House

The Nusatupe quarantine guard house is shaping up very well. It should complete in the coming weeks. So far work on quarantine centre in Nusatupe is progressing very well.

ISDT Post training

Last week Honiara PMO held an awareness education for its post trainees. The awareness was conducted by the family support centre. The awareness covers various support mothers can access from the centre.

Gizo Banana valley satellite market

The Banana valley satellite market in Gizo is progressing well at the moment. Currently local workers are working on profiling for the building. By next week post should be up and expect structures to be follow suit.

Announcements

Six subprojects undergo safeguards assessment this week.
