1. Virtual meeting ended successfully
2. New footpath for Noro market
3. Street cleaning in Gizo
4. CIMs training in Auki
5. Milestone footbridge
6. Kolotoha road
7. Announcement

Virtual Meeting Wrap Up ended Successfully

The CAUSE Mission Virtual Wrap-Up Meeting has successfully ended this week on a high note. Various issues have been discussed during the meeting as per the Aide Memoire. The meeting has been attended by respective PIUs supervisors and representatives from the government and the city council. The meeting was chaired by World Bank Task Team who are connected via Video Conferencing (VC)/WebEx from numerous locations.

New footpath for Noro Market

The upgrading of Noro market has been completed. The final task is the drainage system and installation of water pipes. The next in line is the construction of footpath around the market. Already demarcation is going on with digging of trenches. The footpath once completed will improve the market but also help people in Noro in their daily business in the market.

Clean up in Gizo

Street cleaning in Gizo is progressing well. Community members in Gizo praised those who do the clean-up for the job well done. Normally those who do the clean up get up early in the morning and start cleaning up on the allocated zones. Community groups who engage in street cleaning work for 8hrs a day (4 hours in the morning and 4 hours in the afternoon).

CIMS training in Auki

Honiara staff Lud Miller is currently in Auki conducting CIMS training for Auki office. The training is mainly on the financial part of the system. Zinzi Ramofai from Auki office said the training is very helpful especially in entering correct information in the system. Similar training will be conducted in Noro in the coming weeks as well.

Milestone footbridge in Progress

The construction of footbridge at Milestone of East Honiara is progressing very well. Currently the community group mostly made of women are working tirelessly to complete the bridge in time. Once the bridge is completed it will help the surrounding community in accessing other side of the road easily.

Upgrading of Kolotoha road

Recently the project upgraded the Kolotoha road. The road has been in bad stage for quite a long time. With the upgrading of the road people living in the community are now smiling happily. Kolotoha road is located at Kakabona in the West side of Honiara.
