## Community Awareness in Auki.

This week Auki team conducted community awareness with school teachers and ISDT trainee for the Alotaa school to know the importance of safety of COVID 19. The awareness also cover, work management, and basic knowledge of task to do with Infrastructure urban work tools and machines. Alotaa school footpath and walkway will start next week 8th June for 40days.

## Completion of Jacob's ladder in Gizo

The new Jacobs ladder in Gizo behind the JFK stadium is in final stage of completion. Currently the contracted group are working on the drainage system and refilling stones on the gabion baskets. It is estimated that the new ladder will be completed in the coming weeks.

## ISDT training resume in Honiara

The ISDT training has resumed in Honiara following the closer of all training institutions in the country. The training has been on halt as part of the government preparedness mechanisms towards the COVID 19. Now situations started to improve trainings has been resumed. Currently there are two streams of 44 participants attending the training. The training will go on for next week when successful participants will be graduate and involve in cleaning or the works and urban services provided by CAUSE.

### Noro market footpath

The re-developed Noro market is shaping up very well at the moment. There are new development taking place as to improve the facilities but also facelift of the market. Currently, team in Noro are currently constructing a footpath around the market. Once the footpath is completed it will help pedestrian a lot in terms of accessing the market easily. Noro town clerk Gavin Totu praised and thanked stakeholders who pour in their resources to redevelop the market.

## Meet our new staff

A new ISDT trainer for Gizo PIU has been recruited. She is Florence To'iraena. Florence will be based in Gizo PIU. Currently Florence is in Honiara observing on training currently underway. She will be here till next week when see will be mobilise to Gizo PIU. Please welcome and support Florence in her new role.

### Consultation for Sun Valley women.

Project Community Liaison Officer Ms. Naelyn John recently conducted a community consultation for Sun Valley women. The consultation is part of the ongoing reaching out to communities on what the project is doing and how young women can be part of CAUSE Project.
