Noro quarantine centre completed.

The much awaited quarantine centre in Noro has been completed. At present there is a major cleaning up both inside and outside the building.

Post ISDT training in Noro

A post ISDT training was conducted yesterday at Noro. Twenty five (25) participants attended the awareness conducted by the agriculture extension office in Munda. The awareness covers importance of food security during the COVID pandemic.

New Munda sign board

A new welcome signboard has been installed at Munda. The signboard has all the information one needs to know when in Munda

Completed Nusatupe quarantine centre

Nusatupe quarantine centre has been completed. Currently there is a cleaning both inside and outside. The only outstanding job left is the laundry bay which workers are currently working on. It should be completed early next week.

Nusatupe Jetty

Newly completed Nusatupe jetty is now providing the travellers safe and best landing area. This jetty will help a lot in the quarantine centre.

Footpath at COC area

New footpath in Noro COC area is progressing well. It should be fully completed next week.

Nusatupe laundry house in progress

The only outstanding job in Nusatupe is the completion of the laundry and wash area which is progressing well ahead to complete early next week.

Footpath at Mobil area

New footpath of Mobil in Noro is in final completion stage. By next week it should fully completed
