Thanks to New Zealand Ministry of Foreign Affairs and Trade, UN Women, New Zealand High Commission in Honiara, Solomon Islands for additional support.

UN market for change funded project is underway in Munda

SOLOMON ISLANDS GOVERNMENT
Date & Time: Nov 19, 2020 09:03 AM
Latitude: -8.329750
Longitude: 157.269664
Accuracy: 3.79

Work on the two new market stalls and abluton block at Munda has started this week.

As of yesterday the excavator started leveling the area and demolishing the old building.

By next week foundation of the buildings will start and as soon the lagoon festival is over work will continue again.

The UN Women for change project funded market and abluton block is aim to complete according to the schedule.

Munda community is looking forward for the new development which will boost tourism in Western Province.

Footpath/footbridge at Noro COC area completed

The last section of the footpath and Jacobs ladder at COC area in Noro has completed. It is a facelift for the community and the school. From on children who attending the primary school find it comfortable to use the ladder and the footpath. In the past they have to climb up the muddy and stony place.

Antioch footbridge in final completion stage

Antioch footbridge in Central Honiara is in the final stage of completion. Full completion will be in the coming weeks. So far residents living up the area are smiling away as the bridge will bring a big improvement in their area.

Botanical garden footbridge near completion.

Footbridge at Botanical garden is nearing completion. The footbridge will be completed in the coming weeks.

PMU new driver

The Honiara Program Management Unit has a new driver. He is Mathew Fekauvave. Mr. Mathew joined PMU last week. Pleased welcome and support Mathew in his new role.
