8. News/ Announcement

The Gizo market jetty piling has completed yesterday. As of today workers are working on concrete works around the gabion basket. Over the coming days team will work on the structure of the jetty.

Gizo - New Jacobs ladder almost reaching completion.

The new Jacob's ladder that runs from Jah mountain down to the bottom hill at District in Gizo is almost half way to complete. In the last few days workers are busy working on completing the form works. Work is still going on and by next week they should be able to reach the bottom hill.

Student attachment with GIZO PIU

Meet Mr. Darren Tefenoli, an engineering student from FNU who is currently doing his engineering job attachment with GIZO PIU

Mata Valley footpath/ footbridge

The Mata valley footpath/ footbridge in Central Honiara is almost complete. To day there is a concrete pouring to the basement of the bridge. In the coming days workers will complete all outstanding works on the bridge.

Naya - rehabilitation of Gilbert Camp roads

The Naya construction company is making a good progress on the roads improvement under their contract. Over the last few weeks they had been working on the restoration of roads at Gilbert Camp in East Honiara.

Noro PIU conduct public awareness on Word Tuna Day

Noro PIU has mounted an awareness booth at Noro field. The awareness booth is to provide people on the development CAUSE has provided to the community of Noro/Munda but also a chance to learn about the project and how to join the trainings offered by CAUSE Project.

Drainage improvement for Vura road

Work is progressing well on the drainage system at Vura 1. The concrete drainage system will better help to managed the flow of water from the upper road segment. Once the drainage is complete it will definitely help solve the problem of water damaging the roads all the time.

News/ Announcements.

1. The Prime Minister, Hon. Manasseh Sogavare has welcomed the offer by the Australian Government to donate 60,000 doses of AstraZeneca to Solomon Islands.
2. A total of 187 workers flew out of the country last week on Friday 7 May to work in various farms and abattoirs in Australia.
3. Prime Minister Manasseh Sogavare during his nation-wide address yesterday announced that there are no new COVID-19 cases recorded in the last two to three weeks.
