8. News/ Announcement

Women of Aekafo and Gilbert camp of East Honiara are currently working on their water source improvement. A visit to the site this week witnessed the women heavily involved in the project. The women said they loved putting into practice what they have learnt from their ISDT training.

Sinasu school footbridge

Sinasu school footpath is about to complete. Currently the workers are working on reinforce for the short footbridge to connect the primary school.

Cleaning service in Auki.

Cleaning service in Auki town has kept the town clean and tidy. Many people passing by praised the project for keeping the town clean especially during the COVID time.

Gizo market boat jetty

Work on the new boat jetty at Gizo market has begun this week. The new jetty will be about 10 meters out with wings on both sides. Once this one is complete. Work will start on another two jetties still at Gizo market.

Noro market shoreline protection

The shoreline protection wall at the Noro market has been completed. Currently the workers are working on the jetty. Once the jetty is completed the area will be concrete to allow fisherman to sale their catches.

Gizo - new Jacob's ladder

A new 202 meters ladder located in the district area of Gizo is progressing well at the moment. The ladder runs from Jah mountain down to District area of Gizo. Once complete it will solve the needs of those who usually used the short cut road.

Third Munda market stall completed

The third Munda market stall has been completed. Currently there are few touches on the ablution block. The market project is expected to be handed over to the province in June.

News/ Announcements.

1. The Ministry of Health and Medical Services (MHMS) as the government ministry leading COVID-19 response, acknowledge concerns raised by the Opposition Office regarding dire situation in India and the government's plans to acquire bulk of AstraZeneca vaccines from India
2. The Solomon Islands Government had requested 600,000 doses of AstraZeneca vaccines from India, the world's largest supplier of AstraZeneca COVID-19 vaccine.
3. Leader of Opposition, Hon. Matthew Wale, is concerned about the actions alleged to have been taken by the shipping agent of MV Chefoo recently, which was in direct breach of the Standard Operating Procedures governing the clearance of foreign ships.
4. Prime Minister Manasseh Sogavare graced the ground-breaking ceremony of the 2023 Pacific Games Stadiums project in Honiara this week. The PRC funded project ground breaking ceremony took place at the former SIFF Academy site.
