6. Pole for Gizo Jacob's ladders/Footpaths
7. Cleaning of Rurusia street in Auki
8. News/ Announcements

The 218 meters newly constructed climate change resilient concrete road of Agape in West Honiara will complete today. Next week there will be a cleaning up and patching up of small jobs. The residents living up the hill are very excited with their road and they are planning to host a formal acknowledgement to thank the project and the contractor who built the road.

Titinge Footpath

The pouring of Titinge footpath located at the bottom of Titinge ridge will continue next week. Work has been stop this week following a death in the community.

Cleaning services in Honiara

Youths who are trained under the project are very active doing cleaning up services in the Honiara city boundaries. One of the youth said they are pride of their work and urge public to use the provided bins to dispose their rubbish

Noro fish market progressing

Work on the Noro fish market is progressing well. Already half of the area has been slabbed. Over the coming weeks they will continue on slabbing other parts. It is expected to complete before the end of this month.

BP footbridge foundation started.

Work is going on well on the BP footbridge in Gizo. The photo showing the GI piles driven to elevation to anchor the reinforced concrete abutment. Abutment installation is expected to start in the coming week to give way to the placement of channel girders for bridge and decking.

Pole for Gizo Jacob's ladders/Footpaths

This week there are number of poles that has been erected up at different locations in Gizo where ladders and footpaths are. The poles are for the installation of solar lights to provide pedestrians with lights during the nights as most places are dark and not safe for people especially women and children.

Cleaning of Rurusia street in Auki

Rurusia street in Auki is cleaned and tidy thanks to the community group who are currently doing the cleaning service.

News/ Announcements.

1. The deadline for the first jab of the mandatory COVID-19 vaccination has lapsed. The government had stated earlier that those government workers that have not taken their first jab by the 31st of August 2021 will not be allowed into their place of work.
2. The Royal Solomon Islands Police Force (RSIPF) says 32 people were arrested before the lockdown exercise closed at 6am, 31st August 2021.
3. The Ministry of Health and Medical Services (MHMS) says it is deeply and utterly disappointed at several incidents of rock throwing at NRH vehicles and workers including illegal roadblocks in Honiara during the lockdown period.
4. The Solomon Islands Chamber of Commerce and Industry (SICCI) has launched a campaign with the aim to get private sector support to encourage and drive vaccination as Solomon Islands continues its fight against COVID-19.
5. Solomon Islands top striker Raphael Lea'i has suffered an injury during a friendly match with Italy. Italy by 3 goals.
