Noro PIU this week held educational awareness post training for their ISDT graduates. The awareness was conducted by Mr. Sam Hou from Soltuna company Ltd. The awareness covers the company's process or operations to trainees.

Community Policing awareness in Noro

Noro ISDT graduates this week also attended community policing awareness conducted by inspector Robert Hickie and team of RSIPF Noro Police Station. The team presented a talk on community policing and crimes prevention. Total of 40 ISDT trainees attended the meeting.

Noro market storage

Work on the Noro Market storage block started this week. It will take at least 3 weeks to complete ahead of the handing over date which is likely to be in November.

Fencing of Munda market

Fencing of Munda market is currently underway. The fencing is important to protect the market facilities. The work will take at least two weeks to complete it.

Vura Road

Work on Vura 1 road drainage system is continuing. The improvement of the drainage system is important as water coming down from the top usually deteriorate the road.

City Clerk orientation with CAUSE

This week the Honiara City Council Clerk Justus Deni together with his staff George Bogese attended an orientation presented by CAUSE Project. The orientation gives more opportunity to convey more updates about the project. City Clerk Justus thanked Project Manager Cris Afable for the opportunity to learn more information on the project and pledge his ongoing support to the project.

Completed BP footbridge

The residents of BP in Gizo are currently enjoying crossing the stream by the newly built footbridge. The footbridge has helped the community a lot as most times they have to wait for vehicles to pass by before they can cross the road.

News / Announcements

1. The national carrier, Solomon Airlines, will operate a repatriation flight for eligible citizens and travellers from Fiji.
