3. Gizo corner shop Jacob's ladder
4. Visit to Ziata school
5. Auki - Fulikaomae Jacob's ladder
6. Auki - Kunu foot path
7. Tintige 2 footpath
8. Munda market fencing and footpath
9. Up coming projects for Honiara

This week PMU team consist of Cris Afaible Project Manager, Judith Fangalasu'u and Nadia Mamood of Word Bank visited Western Province particularly Noro, Munda and Gizo. As part of the trip team also paid a curtsy visit to the Provincial Secretary office and brief them of the current projects and going forward on CAUSE intervention in the three urban centres of the province.

Drainage system in Gizo

The lot 3 drainage system in Gizo is about to complete. So far the improvement has made a significant changes on the flow of water into the right place.

Gizo corner shop Jacob's ladder

The new Jacob's ladder from the Corner Shop at Gizo is shaping up well. The ladder runs from the top to TC area.

Visit to Ziata school of Noro

The visiting team of Honiara this week visited Ziata Kindy school. The Kindy school was upgraded by the project recently with fencing and footpath for the safety of the school children.

Auki - Fulikaomae Jacob's ladder

Work is currently underway at Fulikaomae of Auki on their new Jacob's ladder. The ladder is built on the other side of the community which is not save by the first ladder built in 2020.

Auki - Kunu foot path

Work on the Kunu footpath is half way to complete. Currently workers are working on the small footbridge to access the other side of the community. Footpath in Kunu also includes improvement of their water source.

Tintige 2 footpath

The new footpath at Titinge 2 of Guadalcanal has completed. Currently workers are working on a short footbridge to connect the community to the other side.

Munda market fencing and footpath

Footpath and fencing of Munda market is almost complete. There few things to be done then all is set for the official handing over the Western Provincial government.

Up coming projects for Honiara as of next week

1. Point Cruz under pass
2. Mataniko Pikinini clinic
3. Rove Children's Park

Announcements

1. The Ministry of Health and Medical Services would like to confirm that the rumours circulating social media yesterday that 3 COVID-19 positive persons had boarded the Fiji-Solomon Islands repatriation flight were untrue.
2. The Explosive Ordnance Disposal (EOD) team of the Royal Solomon Islands Police Force (RSIPF) say that based on early assessments the blast that killed a father and his son was not a bomb rather it is believe to be a pipe known as torpedo.
