

Weekly Wrap-Up Newsletter

The weekly wrap-up newsletter is a platform to link and update staff and project stakeholders on the happenings in all Project Implementation Units (PIUs) and Project Management Unit (PMU) on the progress of projects CAUSE implemented in various communities of Honiara, Guadalcanal (areas outside of town boundary), Auki, Gizo, Noro and Munda.

Issue 70, 8th October 2021

Upgrading of Tehamurina road

Inside this issue.

1. Upgrading of Tehamurina road
2. Lai's road
3. Adam's road
4. Noro fish market
5. Auki top hill Jacob's ladder progressing
6. Jerico Jacob's ladder
7. Munda seawall protection
8. Mbokana clinic foot-path
9. Sink installation

Work on the road rehabilitation and improvement to climate resilience at Adams road, Tehamurina road, Chipuchau road and Lai drive road at Mbokanavera has commenced. The roads will be concreted especially the steep sections to improve the conditions.

Lai's road

Grading on Lai's road at Mbokavera 3.

Adam's road

Compacting of Adams road at Mbokanavera 1 ahead of concrete works.

Noro fish market

The Noro fish market finally completed. Workers are now working on fencing the area and do a cleaning up. The market will be commission and handed over to the Western Provincial government soon.

Munda seawall protection

Work on the Munda seawall protection is continuing despite the big challenge draining out of water in foundation area. This week workers work on the third segment on the installation of foundation work and concrete pouring.

Auki top hill Jacob's ladder progressing

The Jacob's ladder at Auki tophill is progressing well. Already it reaches the middle section. Work is continuing.

Mbokana clinic footpath

Work on new footpath at Mbokona clinic of Central Honiara has commenced this week. Work is continuing and is expected to complete in the coming weeks.

Jerico Jacob's ladder

Work on Jericho Jacob's ladder in East Honiara is progressing well. Expecting to reach final section over the coming days.

Sink installation

Work is currently underway in Honiara PMU on the installation of hand washing sink. The sink once completed will be distributed to schools and clinics in Honiara as part of the covid prevention measures.
