## Noro market handed over to Noro town council

The rehabilitated Noro market was officially handed over to the Noro town council this week. Speaking on behalf of World Bank Nadia Mamood said the bank is pleased to support the rehabilitation of the market and the construction of the boat jetty. Such project is inclusive as it will support every people in Noro. President of Noro town council Mr. Naptalie Fred thanked World Bank and CAUSE Project for job well done. He assured the donor that they will look after the very well for the benefits of vendors and consumers.

## ISDT Trained workers who built the market/ Jetty

The new market at Noro was completed on a high standard many people who came during the launching thought it was built by qualified contractor. However, these are the very people with the guidance of resident work supervisor that renovate and built the ablution block, jetty and constructing of the footpath and fish market area.

## Gizo Jetty handed over to Gizo Town Council

The completed Jetty at Gizo market was handed over to the Gizo town council yesterday in Gizo. Gizo town clerk Charles Kelly was very pleased with infrastructure as it will help the market vendors offloading their prod-

## Banana valley satellite market handed over to Gizo town council

Banana valley satellite market at Gizo was handed over to the Gizo town council yesterday. The market will be operating soon.

## News/ Announcements

1. The project steering committee meeting will be held next week 16th December 2021.
2. The cost of general merchandize have sky-rocketed in Honiara following the aftermath of the burning and looting to businesses on the 24th and 25th November, 2021. The rise in price occurred despite warnings from authorities for businesses not to do so.
3. Solomon Water says the their gravity systems and pumps at Kongulai and Kombito will remain closed as the turbidity level is still very high and it is unsafe to turn on supply.
