As Malaita is looking forward to celebrate the second appointed day in Auki next week, work is currently going on; cleaning the surrounding and beautifying the environment. There are good number of groups engaged by the project doing cleaning up in Auki town.

## Street Cleaning in Munda

## ISDT Training in Noro

The batch 12 of Noro ISDT training will conclude today where participants are expected to graduate and will be engage by the project in the coming weeks and months.

Munda street cleaning is going on well. Frequent visitors on Munda commended the groups for keeping the town clean and beauty all the time.

## Barana Road in East Honiara is Progressing

Work on the first lane of the Barana climate resilience road in East Honiara is progressing well. Currently first lane has been concreted waiting for another lane to be concrete in the coming weeks.

## Kukum market drainage system

Work on the drainage system at Kukum market is going on well. The work should be complete soon ahead of the opening of the new market.

## Gizo -MSG Ablution Block in Progress

Work on the new ablution block at the Gizo MSG building is progressing well. Concrete slabbing is currently going on at the moment by next week workers will work on the block walls.

## Update of Kakabona Footbridge

The approach of the newly built Kakabona footbridge is set for concrete pouring next week. Thereafter workers will work on the decking on the main bridge.

## News/ Announcements.

1. Australia remained the health partner of choice for Solomon Islands and that Australia would continue to provide support to the health sector, including through Australia's recent AUD \$1million commitment to upgrade the National referral Hospital's Acute Care Ward.
2. A total of six candidates have been nominated for the West Kwaio by-election after the closure of the 7 days nomination period yesterday. The candidates include a female and five males.
3. Following the third and fourth play-off at the OFC Women's Nations Cup 2022, there's plenty more to celebrate for the Solomon Islands and Samoa who were included in the biggest movements made in the latest FIFA/Coca-Cola Women's World rankings. The Solomon Islands leaped 15 spots to 105 ranking them sixth from ninth in the Oceania region, after finishing third at the Women's Nations Cup in Fiji .
