Progress on Kukum Market Drainage

Work on the walk way and drainage system at Kukum market is progressing well into complete stage.

Vara creek footpath in Progress

The Vara creek footpath is progressing well Team are currently working on the railing.

Munda CBD Footpath is Shaping Up

Work on Munda CBD footpath is progressing well. Currently workers are working on the next lot of sections to be concrete in the coming week.

"This is my third round of CAUSE work. On my second CAUSE project I led a team and I used these lessons and applied them in my community. It helped me lead people, speak with confidence and I found it very useful. Then I used the money to buy goods to sell at the market and help with the family. I used half the money for business and the other half was for clothing and school for my children.

The first lane of concrete road in Gizo is going well. In the coming weeks workers will work on the next section until it completes then move on to the second lane.

Former Western Province PS Farewell.

In a moving ceremony last week, the Western Provincial Secretary Mr. Jefferey Wickham was farewell. Jefferey is a dedicated officer who has contributed a lot in the CAUSE development in Noro, Munda and Gizo. CAUSE valued his contribution and wish him well in his retirement .

Farewell late Chris Maepio

The Project on Sunday 4th September lost one of its staff. Chris Maepio who just recently joined the project as a driver.

As a newly-hired driver, Chris was observed by most to be a diligent employee and has demonstrated professionalism in carrying out his task. Despite his being new to the team, Chris has helped a lot in mobilising Project people and logistics.

The staff valued his contribution during his short term with the project.

The project miss him a lot ; rest in peace Chris until the golden morning.
