7. Auki - Aligege Ablution block
8. News/ Announcement

The much awaited Noro CDB jetty was officially handed over to the Noro town council yesterday. Speaking during the handing over ceremony yesterday Western Provincial Government acting Provincial Secretary Mr. Patrick Toiraena acknowledged the enormous contribution by CAUSE project in Western Province namely Munda, Noro and Gizo. Mr. Patrick thanked the Australian Government through DFAT and World Bank for funding the important infrastructure that contributes to the facelift of Noro town.

Front view of the jetty facing Rawaki community.

Noro CBD Concrete Road

Work is currently ongoing on the construction of climate resilient on the steep section of the Noro CBD road. The steep section will be concrete in the coming weeks.

Street cleaning in Honiara

Street cleaning in Honiara is an ongoing activity where the cleaning groups usually left home in the early hours in the morning to keep our town clean at all times. Cleaning service start from Alligator to Poha river in the west side.

Gizo - MSG Ablution Block

The Gizo MSG abluion block is in the final completion stage. Only tiling, installation of doors and plumbing is left. Over the coming weeks the abluion block should be fully completed.

Auki - Aligegeo Ablution block

The Aligegeo stadium abluion block in Auki is progressing well. Workers are continuing with block works. Next week they will work on timber works. The workers are confident they will complete the project within the given time frame.

News/ Announcements.

1. Claudius Te'i'ifi has won the West Kwaio Parliamentary seat. The newly elected MP contested under the Solomon Islands United Party (UP) banner. Returning Officer Pearson Simi declared Mr Te'i'ifi as the MP elect for the constituency after counting concluded yesterday.
2. The Solomon Islands National Institute of Sport (SINIS) introduced mental skills training with the mission to work with athletes and coaches across all sports. On Tuesday 20th September the SINIS Mental Skills department under the Performance Service held the first session in going over how mental skills relate to a sport performance culture and how SINIS will help athletes develop and prevent performance issues.
3. Romania's new Ambassador His Excellency Radu Gabriel Safta paid a courtesy visit to Acting Prime Minister Hon. Manasseh Maelanga at the Office of the Prime Minister and Cabinet yesterday.
