The Aligegeo ablution block in Auki is progressing well despite the rain that slow down the progress. Concrete work has been completed and workers are currently working on frames ahead of offing which will be install in the coming week. Once the ablution is completed it will help Auki Football Association in their sports program as it will help boost hygiene and proper health facilities in Aligegeo.

Auki - Unafi Footpath reached 50 meters slab

Work still ongoing on the Unafi footpath in Auki. Already 50m slabbing has been completed. Work is going on and the footpath is expected to completed in the coming weeks

East Honiara - Milestone community to have wash station.

Milestone community of East Honiara soon will have a proper washing facility. Currently the youths from the community together with the project are working on the installing a proper hut with washing slab and concrete pavement around the water catchment area.

Gizo - Nusatupe Jetty in Progress

Work on the Nusatupe Jetty in Gizo is progressing well. Currently workers are working on the piling. The Jetty once complete will help the travelling passengers of Gizo especially inking and outgoing passengers.

Noro Kindy School Footpath

Work on the Noro Kindy school has started. Form works had been completed. Next week workers will work on the slabbing.

Gizo –Betany Road near Completion.

The Betany road of Gizo is near completion. Currently workers are working on the drainage system.

First draft of Covid video release

The first draft of the COVID video produced by the project has been completed and its going through inputs. After this team will produce second version and then the final one which will be circulated to our stakeholders and in our media Platform

News/ Announcements.

1. Effective immediately, the Solomon Islands Government has announced incoming travellers to the Solomon Islands no longer require to undergo a PCR test for COVID-19 72 hours prior to arrival.
2. Make Mental Health and Well-being for all, a Global Priority' the Minister of Health Dr Culwick Togamana appealed to all Solomon Islanders to make mental health and well-being a priority for themselves, their families, work places and their communities in which they live for a better and happier living.]
3. Solomon Islands Prime Minister Manasseh Sogavare has thanked Australian counterpart Anthony Albanese for a donation to support the staging of the Pacific Games. The two leaders met in Australia for talks, with the 2023 Pacific Games and related delay of the county's general election among the topics of discussion. Australia's Government in August donated AUD\$17 million to support the Pacific Games - an event never before held on the Solomon Islands.
