The improvement to climate resilience critical section of Gilbert Camp to April ridge road in East Honiara has reached 70% of job done. The contractor is working hard to complete the improvement with the given time frame. By the end of this month rehabilitation should be completed including the drainage systems.

Progress of Noro CBD Climate Resilient Road

The first lane of Noro CBD concrete road has been completed this week. Current team is working on the second lane expected to complete in the coming weeks

Betany Road in Gizo Progressing

Betany road in Gizo Jah mluntain is soon to complete. So far first lane has been completed. Now team is working on the second lane.

Stones for Nusatupe Jetties

Work at the Nusatupe jetty has started last week. This week workers mobilise and transported stones to Nusatupe for the gabion basket. There will be two new jetties to be constructed for public use.

Auki –Aligegeo Sports Stadium Ablution Block Progress

The Aligegeo sports stadium ablution block at Auki is shaping up so fast. Block wall has been completed this week. In the coming weeks workers will work on timber to be followed by installation of roofing. The project is estimated to be complete by the end of this month.

Auki - Unafi Sigetai Footpath in Progress

Work on Unafi Sigetai footpath in Auki is progressing well. Workers have completed concreting the first section and have moved on to the next section. Work is ongoing until the footpath is completed before the end of this month.

Stakeholders Coordination Meeting

CAUSE has been invited to the important coordination meeting called by the Office of the Prime Minister. The meeting is important for the Government and HCC to engage and seek collaboration as we prepare for Pacific Games 2023.

News/ Announcements.

1. Solomon Islands Prime Minister Manasseh Sogavare has used the opening of a meeting with Anthony Albanese to once again reassure Australia over his government's security pact with China, declaring he will never allow a foreign military base to be set up in his country .
2. Officers of the Royal Solomon Islands Police Force (RSIPF) and Australian Federal Police (AFP), who are part of the Solomons' International Assistance Force (SIAF), recently visited the new international terminal at Honiara International Airport. The new terminal, which is nearing completion, is situated on the Western end of the current international terminal. The facility is part of the country's preparations for the Pacific Games in 2023. Kitano Construction Company employees on the site led RSIPF and AFP officers for the tour around the facility.
3. A new Permanent Secretary for the Ministry of Agriculture and Livestock (NMAL) was sworn-in by the Governor General Sir David Vunagi at Government House this week. He is Mr. Lottie Vaisekavea from Nukukaisi village, Central Makira, Makira Ulawa Province.
