The 9th World Bank –IDA implementation support mission to CAUSE Project kicked off this week with team members on ground and others connecting from various locations.

Cleaning services in Auki

Cleaning services in Auki is ongoing within the town boundary areas. Many people in Auki acknowledged the service rendered by these groups in keeping Auki town clean at all times.

Batch 38 of Gizo ISDT

The batch 38 of Gizo ISDT was completed this week in Gizo. The training started last week and continue on this week where more than twenty young people graduated. The graduates are now waiting eagerly for their turn in the short employment provided by the project.

Fencing of Noro School

Fencing work is currently going on at Noro school. Most of the post had been buried this week. Actual installation of the cycle mesh will be next week.

Barana Climate Resilient Road

The 310 meters long climate resilience road at Mount Austin up to Barana in the Guadalcanal Province zone is near completion. So far residents living at Barana are very happy to see such development taking place in their area that help them in their daily activities.

Tanuli drainage system

Work on the Tanuli road drainage system is going on. All form works had been completed waiting for concrete pouring next week.

20 meters footpath at JFK, Gizo

Another 20 meters footpath for the continuation of JFK footpath at Gizo has started this afternoon.

News/ Announcements.

1. The Ministry of Health has confirmed that the omicron sub variant of COVID-19, BA.5, is responsible for the current outbreak. It's the most easily spread strain to date and is able to evade immunity from COVID infection and vaccination.
2. After almost two years of review, consultations, and compilation, the Ministry of Health and Medical Services finally launched the Solomon Islands National Health Strategic Plan 2022 to 2031. The Strategic Plan was developed under the theme "A Healthy Future for All Solomon Islanders"
3. The Solomon Islands women's national team has defeated Oceania champions Papua New Guinea 3-0 at the Pacific Women's Four Nations in Canberra, Australia.
