8. News/ Announcement

The Aligegeo ablution block is the finishing stage. By the coming weeks it should be fully complete. The school and the province is pleased to see such development that will benefit the province especially in hosting big events.

Mission Wrap up meeting

The 9th mission to the CAUSE Project has completed this morning. Overall the project is rated at satisfactory. Congratulations to all staff including ISDT trainees for the job well done.

Milestone Wash Bay Complete soon.

The wash bay at Milestone of East Honiara is near completion. Currently workers are working on installation of sinks.

Noro Climate Resilient Road

The climate resilient road at Noro CBD has been completed this week. Currently there is cleaning up and road should be open for public use.

Noro School Fence

The Fencing of Noro school is soon to complete. There are few sections that needs to be cover by cyclone wire. The entrance door has been completed.

Road works in Gizo

Compacting of road is currently going on in one of the stiff section of Gizo ahead of concreting the road in the coming weeks.

Children's Park Progress

Work on the children's park improvement is going on well. One wall has been completed. Currently workers are working on the next retaining wall.

News/ Announcements.

1. ISDT training in Honiara PMO will conclude next week Tuesday for this financial year. Training will resume January 2023
2. An outbreak of COVID-19 has been declared for Temotu Province with over 400 plus cases reported in the past nine days from Lata, Tikopia and Dendu. In response the Ministry of Health and Medical Services (MHMS) has, over the weekend, deployed a team of medical and public health workers to the province.
3. Countries that fail to recognize the opportunities afforded by a 'green revolution' run the risk of increasing social inequality, civil unrest, and less competitive economies if proposed transitions to net-zero emissions pathways are not well managed, according to a new report released today by the United Nations Development Programme (UNDP).
4. The Australian Federal Police (AFP) and Royal Solomon Islands Police Force (RSIPF) partnership program, RSIPF-AFP Policing Partnership Program (RAPPP), has rolled out its Youth & Community Engagement Program (YCEP) starting in Honiara.
