

# Weekly Wrap-Up Newsletter

The weekly wrap-up newsletter is a platform to link and update staff and project stakeholders on the happenings in all Project Implementation Units (PIUs) and Project Management Unit (PMU) on the progress of projects CAUSE implemented in various communities of Honiara, Guadalcanal (areas outside of town boundary), Auki, Gizo, Noro and Munda.

Issue 135, 27th January 2023

Rove - Children's Park Improvement Resumed.

## Inside this issue.

1. Rove - Children's Park Improvement Resumed.
2. Noro - Mobil Garden School Footpath
3. Nusatupe Jetties Completed
4. Munda - Water Catchment
5. Gizo -MSG Building Improvement
6. News/ Announcements.

Work on phase two of the Rove Children's Park improvement has resumed. Currently workers are working on the trenches and aligning of casing ahead of concrete pouring next week.

## Noro - Mobil Garden School Footpath

A new footpath for Mobil Garden Kindy in Noro is in progress. The footpath will really help the school children especially during rainy season.

## Munda - Water Catchment

Work on Munda water catchment is progressing well. The water catchment will be improved to supply water to the ablution block at the market.

## Gizo - Nusatupe Jetties Completed

The two jetties constructed at Nusatupe of Gizo last year has been completed. Soon the jetties will be open for public to use.

## Gizo -MSG Building Improvement

Work is currently going on the improvement of the MSG Building. Work will mainly upgrading some of the existing settings but also include new improvements.

## News/ Announcements.

1. Delivering a Safe and Green Pacific Games 2023. The Government is determined to deliver a safe and green Pacific Games when it hosts the regional sporting event in November.
2. The Solomon Islands Institute of Sport (SINIS) has opened its doors today to the public with an Open Day. SINIS is inviting the public to join the event and learn more about the growing sports industry.
3. Two children remain missing in Solomon Islands waters after a boat overturned more than a week ago. Solomon Islands police say three people of the 14 on board went missing - one female adult and two children aged three and seven. The others managed to swim ashore.
4. Australian High Commissioner to SI Dr. Lachlan Strahan has completed his three years tenure in SI. On behalf of the Project we thanked him for his leadership and wish him well in his future engagement.
