7. News/ Announcement

Three new contracts has been signed this morning by Stephen Maesiola permanent secretary of the MID and the representatives of the wining contractors. The contractors will work on various road improvements in Honiara and peri urban areas of Guadalcanal Province. Work will commence next week.

New footpath for Prince Valley

Work is currently going on at Prince valley of East Honiara on their new footpath. The community workers especially women are passionate to bring about new development in the community that will benefit everyone.

Work on securing and improving the Kunu water source in Auki is progressing well. The water source is the main source for the residents living around the Kunu catchment area

13 participants in the literacy training in White River of West Honiara graduated this morning after completing 12 weeks of intensive literacy training.

Gizo - Survey team interviewing CAUSE Beneficiaries

Noro PTSS awareness

Beneficiaries of CAUSE Project are being interviewed by an independent survey group.

A health awareness was conducted at Noro this week for CAUSE PTSS. Participants have learnt a lot of information through this awareness.

News/ Announcements.

1. More than 100 households are expected to benefit from the provision of timber milling equipment to the country's Value-Added Timber Association (VATA) under the -Solomon Islands- Australia economic partnership.
2. The Asian Development Bank (ADB) recently led a media tour of the almost complete, expanded campus of the University of the South Pacific in Honiara which will provide students better access to higher education.
3. Government Ministries are now ready to implement the Safe and Green Games in their Ministerial Budgets, following the launch of the Safe and Green Games Strategy by the Hon. Prime Minister, Manasseh Sogavare on 3 March 2023.
