Work on the Point Cruz under pass has started after quite sometime cleaning up from the inside. Currently workers are working on the surface of the entrance. Next week painting will commence.

Workers unloading gravels ahead of next weeks brick works

Current gate facing the Solomon airlines office.

## Gizo - Seawall Protection

Work on the sea wall protection at Gizo is progressing well. In the coming weeks team will work on raising up height.

## Auki - Burinasi concrete road progressing

Burinasi concrete road in Auki is progressing well with second lane. Next week team will work on the last remaining sections.

## Noro Jetty install with solar light

A solar light has been installed at Noro jetty this week. The solar light is necessary to provide lighting to travelling passengers who used the jetty especially during nights.

## Happy Mothers Day

CAUSE PMU mothers today gathered to celebrate mothers day. On behalf of the management of the project happy mothers day to all mothers with the CAUSE family in PMU and the PIUs.
