

Weekly Wrap-Up Newsletter

The weekly wrap-up newsletter is a platform to link and update staff and project stakeholders on the happenings in all Project Implementation Units (PIUs) and Project Management Unit (PMU) on the progress of projects CAUSE implemented in various communities of Honiara, Guadalcanal (areas outside of town boundary), Auki, Gizo, Noro and Munda. CAUSE is Financed by Australia Government and the World Bank

Issue 143, 24th March 2023

Honiara High School Footpath

Inside this issue.

1. Honiara High School Footpath
2. Progress of Kunu water source
3. Burinasi to Rurisia Concrete Road in Progress
4. Gizo-Jah Mountain Concrete Road
5. TC road in Gizo to be concreted
6. Munda water source completed
7. Noro Primary School to have new footpath
8. News/ Announcements

Honiara high school students and teachers will soon enjoy walking on a new footpath that is currently under construction at the school. During rainy times it is a big challenge for them to be able to attend classes. With this new development it is a win to win solution for both teachers and students.

Progress of Kunu water source

Upgrading of the Kunu water source in Auki is almost in the completion stage. Next week team will work on completing the fencing.

Burinasi to Rurisia Concrete Road in Progress

The 10 meter Concrete road in Burinasi to Rurisia in Auki is progressing well. Pegging was done this week. Work will continue on next week.

Gizo-Jah Mountain Concrete Road

Marking out of the rough section of Jah Mountain road has completed. Next week work will start on concreting the road.

TC road in Gizo to be concreted

TC road of Gizo will soon be concreted. Marking of the segment to be concrete as been done. Work will start in the coming weeks.

Munda water source completed

The upgrading of water source at Munda near the market has been completed. The water source will provide water to the ablution blocks at the market .

Noro Primary School to have new footpath

Work is currently going on at Noro for the construction of new footpath around the school.

News/ Announcements.

1. A recent combined mission including officials from the Asian Development Bank, Solomon Islands Government, and Solomon Power to Makira Ulawa Province was satisfied with work progress at the Huro Hybrid Solar Farm near Kirakira.
