7. News/ Announcement

This week a team in the Ministry of National Development Planning and Aid Coordination held consultation with CAUSE Project. The national development strategy 2016 to 2035 maps out the strategic direction for the future development of Solomon Islands. CAUSE has contributed a lot in the development strategy through the activities of the project.

Point Cruz under pass progressing.

The construction of Point Cruz under pass is progressing well. Currently workers are installing the steel frames. In the coming weeks they will install the roofing.

Auki - Profiling of Ambu Community Hall

Work is currently going on in Ambu of Auki for the construction of the Community Hall. Currently workers are working on profiling.

A new contract was signed today between TT and CAUSE for the rehabilitation of various tertiary roads in some parts of Honiara.

Construction of concrete road in Gizo is progressing well. Concrete pouring will be done this afternoon depending on the weather.

Cleaning in Noro

Noro community residents are pleased with the ongoing cleaning services provided by the CAUSE. With their continuous work it makes the town clean and tidy all the time.

Literacy Graduation in Gizo

A total of forty-nine students from LASI were successfully graduated this week. Thirty graduands were from West Gizo which was held at Vorivori village on the 23rd of May 2023 and nineteen graduands were from Gizo town and Nusabaruku community, held at the Gizo High school classroom on 25th May 2023. The graduands and the people have expressed their gratitude towards this program and the impact that this program offers to them. They thanked CAUSE and LASI in partnership to implement this inclusive program.
