8. News/ Announcement

Work on the improvement of the poor state of sub road behind the Auki town will soon be ready for public to use. The road has been unattended to for the past many years and as such it is very deteriorate and worst ever for public to use. Only twenty percent of work is remaining and in the coming weeks workers will complete it and the following week the road will be open for public to use.

Australia High Commissioner to visit Kunu water source.

His Excellency Rod Hilton, Australian High Commissioner for SI, will visit Kunu and the current work at Burinasi and Rusia roads of Auki on Monday next week.

Gizo shoreline Protection

Work on the shoreline protection at Gizo provincial head quarter is progressing well. Half of the section had been filled with concrete already and currently working on the next one.

Garden School Principal a happy man.

Principal of Garden School in Noro acknowledged the biggest help from Australian Aid and World Bank through CAUSE for their school. Mr. Nego said unlike in the past students are walking on rocks and muddy areas. Now students enjoy walking on a smooth road. It encourages students attendance not like before.

Recently completed Subprojects.

1. Honiara High School footpath
2. Prince Valley footpath
3. Childrens Park upgrade
4. Kunu water source
5. Munda water catchment
6. Noro Garden School footpath

Jetty helpful for Gizo hotel

Boat driver for Gizo hotel said the jetty help a lot. In the past passengers faced a lot of challenge especially on embarking and disembarking. With the new jetty it has helped solved the problem.

Ongoing sub projects

1. Burinasi - Rusia concrete road
2. Noro Clinic
3. Noro primary footpath
4. Gizo shoreline protection
5. Mbuavalley school footpath
6. Gizo Inner banana valley footpath

News/ Announcements.

1. Tourism Solomons has welcomed Solomon Airlines and Air Vanuatu's plans to commence operation of an Auckland-Port Vila-Honiara effective 05 June 2023 with CEO (Acting), Dagnal Dereveke saying the move will have significant ramifications for Kiwi tourism to the Solomon Islands.
2. Solomon Water is improving its water catchment and distribution infrastructure through AUD\$ 4 million in funding from Australia.
3. Throughout 2023 over 800 Solomon Islands athletes will be training on the Gold Coast in Australia. This opportunity will help develop their talents and prepare them for the 2023 Pacific Games and beyond, including the upcoming Commonwealth and Olympic Games.
