The phase two of the improvement at the Children's Park in Rove is progressing well. Concrete slabbing of the last section of the seawall protection is set for next week. Full completion of the project is expected by the end of this month.

Prince Valley Footpath to complete soon

Work on the last section of the Prince Valley concrete road is expected to complete next week.

Progress of Honiara High School footpath

The construction of the final 50 meters section of the school footpath is expected to complete next week.

Auki –Burinasi concrete road progress.

Work on Burinasi concrete road in Auki is progressing well. This week team is working on the pavement and drainage system. After this, team will continue on the next lane.

Noro school Footpath to complete soon

The Noro primary school footpath is in the final completion stage.

Road restoration in Kola - Mataniko

Restoration and maintenance of unsealed feeder roads in Honiara is on-going.

Shoreline wall stones arrived

Stones for the provincial shoreline wall at mile 6 in Gizo has arrived. Next week team will work on the protection wall.

News/ Announcements.

1. Work on the Kongulai Water Treatment Plant is expected to pick up this week. This was clarified by the Solomon Water Authority Chief Executive Officer (CEO) in a press conference this week.
2. Australia's SBD1.65 billion infrastructure partnership with Solomon Islands has delivered its third industry training to support local industry winning more work and delivering better quality infrastructure. Last week local construction companies developed Gender Equality, Disability and Social Inclusion (GEDSI) policies for their workplaces – with the message that the inclusion of women and people with disabilities in infrastructure was both fair and good for business.
3. Friday 7th (Good Friday) and Monday 10th (Easter Monday) April 2023 are declared public holidays in SI. CAUSE PMU and PIUs will reopen again on Tuesday 11th April.
